Enrollment Conditions

Foreign citizens can enroll at Universitatea Babeş-Bolyai based on the Letter of Acceptance issued by the Romanian Ministry of Education, Research, Youth and Sports, without having to pass an admission exam. The Letter of Acceptance is issued on the basis of the application documents sent to the university. The admission procedure takes aprox. 30 days from the moment the university receives the application file.

In case the candidates decide to follow courses taught in Romanian language, they have two possibilities:

1. to prove that they are proficient in Romanian by submitting a Romanian Language Proficiency Certificate
2. to enroll for the Preparatory Year of Romanian Language and Civilization available for foreign students at the Faculty of Letters. This means that they will study Romanian language for an entire academic year, before the undergraduate studies.
If they want to attend this course, they have to check **YES** in the respective box of the Application Form (second page, Section II *Studies Applied in Romania*)

If they don't wish to attend the Preparatory Year, they should chose programs taught in a foreign language, which are available at almost each faculty.

For a presentation of our academic programs and their respective language of instruction, please follow this link: http://www.ubbcluj.ro/en/programe_academic/

The academic year starts on the 1st of October, thus enrollment in the University shall be done until that date.
