## **Ph.D. Scholarship opportunity at Adam Mickiewicz University in Poznan, Poland**

**Adam Mickiewicz University in Poznan and its Faculty of Physics and NanoBioMedical Centre are offering 4 year scholarship grants to Ph.D. students who wish to go study in Poland in the International PhD Program in Nanoscience and Nanotechnology.**

**The Ph.D. Programme refers to the research of nanomaterials and nanostructures and their applications to biology and medicine (Cell manipulation, Neuroscience, Biosensors, Tissue Engineering, Detection/ Therapy).**

- **Ph.D. students stay for 3 years in Poland at Adam Mickiewicz University - NanoBioMedical Centre at Faculty of Physics and for 1 year of secondment in foreign laboratories.**
- **Ph.D. experiments will be conducted in Nano-Bio-Medical Centre, equipped with top-class microscopes, NMR and optical spectrometers, clean room, as well as in the laboratories of partner institutions.**
- **Ph.D. work is supervised by professors from Poland and by scientists from partner institutions.**
- **SCHOLARSHIPS: 3,500-5,000 PLN/month (900-1,200 €/month) – including compulsory insurance of 500 PLN / 130 € monthly.**
